An easement is hereby reserved in favor of each Unit for the purpose of placement, maintenance, repair and replacement of said utility equipment by the Owners of the appurtenant Unit; provided that no utility equipment shall be placed in any part of the Common Elements or Limited Common Elements other than its present location unless the written approval of the Association shall have first been obtained.

(D) **Easements For Ingress and Egress.**

(F) **Easements For Encroachments.**

To the extent that any Private Element, Common Element or Limited Common Element encroaches on any other Private Element, Common Element, or Limited Common Element, whether by reason of any deviation from the Plan in the original construction repair, renovation, restoration or replacement of any improvement, or by reason of the settling or shifting of any land or improvement, a valid easement shall exist for the encroachment and/or the maintenance of the same, so long as the encroaching Private Element, Common Element or Limited Common Element stands. A valid easement shall not relieve an Owner of liability of such Owner's or such Owner's agent's negligence or intentional acts in cases of willful and intentional misconduct by an Owner or an Owner's agents or employees. In the event any Unit, any adjoining Unit, or any adjoining Common Elements or Limited Common Elements shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then constructed, reconstructed or repaired, encroachment on parts of the Common Elements or Limited Common Elements upon any Unit or of any Unit upon any of the other Private Elements, Common Elements or Limited Common Elements resulting from such construction, reconstruction or repair shall be permitted, and valid easements for such encroachment and the maintenance thereof shall exist so long as the encroaching improvements shall stand.

(H) Easements Appurtenant To Units.

The easements and other rights created herein for the Unit Owners shall be appurtenant to the Unit of that Owner and all conveyances of title to the Unit shall include a conveyance of the easements and rights as herein provided even though no specific reference to such easements and rights appear in such instrument. The Owners do hereby designate the Association as their lawful attorney-in-fact to execute any and all instruments on their behalf for the purpose of creating all such easements as are contemplated by the provisions hereof.

3.02 Ownership Of Common Elements And Limited Common Elements.

The extent or amount of such ownership shall be expressed by a percentage relating to each Unit and is set at 1.2048 and shall remain constant, unless changed in accordance with the provisions hereof or by the unanimous approval of all Owners and Mortgagees. The formula used to determine the allocation of percentage ownership of the Common Areas is based upon dividing one hundred percent (100%) of the Condominium Property by eighty-three (83) Unit Owners. The Owners of Units with Limited Common Elements which are appurtenant to such Unit as designated or described on the Plan attached hereto shall have the exclusive right to use such Limited Common Elements so designated or described unless changed by the unanimous approval of the Owners and their respective Mortgagees. Each Owner of a Unit to which a Limited Common Element is attached shall have the right to use the Limited Common Element for all purposes incident to the use and occupancy of such Owner's Unit as herein provided without hindering or encroaching upon the lawful rights of the other Owners, which rights shall be appurtenant to and run with the Units to which the Limited Common Elements are attached.

ASSESSMENTS

5.01 Liability, Lien And Enforcement.

The Association is given the authority to administer the operation and the management of the Common Elements and Condominium Property, it being recognized that the delegation of such duties to one entity is in the best interest of the Owners of all Units. To provide the funds necessary for such proper operation, the Association is hereby granted the right to make, levy, and collect assessments against the Owners of all Units to pay Common Expenses and such other expenses which the Association is authorized to incur under the terms and conditions of this Declaration. In furtherance of said grant of authority to the Association to make, levy and collect assessments to pay the costs and expenses for the operation and management of the Condominium Property, the following provisions shall be effective and binding upon the Owners of all Units.

5.02 Assessments.

All assessments for the payment of Common Expenses shall be levied annually and paid monthly by the Owners of all Units, and unless specifically otherwise provided for in this Declaration, each Owner of a Unit and each Owner's Unit shall bear the same percentage share of such assessment as the percentage share of ownership for the undivided interest in the Common Elements and Limited Common Elements appurtenant to said Unit. The formula used to determine the allocation of Common Area expenses is based upon the percentage of undivided interests in the Common Area owned by each Unit. Such Common Expenses shall include, without limitation, the cost of administration, maintenance, repair, water, sewer, garbage, cable, and insurance. This amount may vary from time to time depending upon the cost of services, maintenance and repair of the Common Elements, and that the fiscal management of the Association, including the incurring of Common Expenses, shall be governed by the Board of Directors of the Association as set forth in this Declaration and the By-Laws of the Association. The assessments for Common Expenses shall be payable over the course of the year in advance in monthly installments at such times as may be determined by the Board of Directors in accordance with the By-Laws Of The Sands At Romar Beach Condominium Association.

5.03 Annual Budget

The proposed annual budget for the current calendar year shall be presented at the Annual Meeting. Such budget shall project the amount of funds which may be required for the proper operation, management and maintenance of the Condominium Property, including reasonable allowances for contingencies and reserves therefore, in accordance with the Act and this Declaration. Said budget shall take into account any projected anticipated income which is to be applied in reduction of the amounts required to be collected as an assessment each year. If the budget is ratified by a majority of the Members present in person or by proxy, a copy of the budget will be mailed to each Member within thirty (30) days of ratification. If the budget is rejected, the budget for the previous year shall continue in effect until such time as a new budget is ratified. If the proposed budget is ratified, the assessment for the balance of the calendar year shall be established based upon such budget.

Should the Board of Directors at any time determine in the sole discretion of said Board of Directors that the assessments levied are or may prove to be insufficient for any reason including emergencies and nonpayment of any Owner's assessment, the Board of Directors shall have the authority to levy such additional assessments as it shall deem necessary in accordance with the applicable provisions of the Condominium Documents and the Act.

5.04 Omission Of Assessment.

The omission by the Association, before the expiration of any year, to fix the assessments for that or the next year shall not be deemed a waiver or modification in any respect of the provisions of this Declaration, or a release of any Owner from the obligation to pay assessments or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is fixed.

5.05 Detailed Records.

The Association shall keep detailed, accurate records in chronological order of the receipts and expenditures affecting the Common Elements and Limited Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements, Limited Common Elements and any other expenses incurred. Records and vouchers authorizing the payments involved shall be available for examination by any Member or Member's representative at convenient hours on weekdays in The Sands At Romar Beach Condominium Association Office.

5.06 Payment Of Common Expenses And Limited Common Expenses By Unit Owners.

All Unit Owners shall be obligated to pay the assessment for Common Expenses and/or Limited Common Expenses adopted by the Board of Directors pursuant to the terms of this Declaration. No Unit Owner may be exempted from liability for such Unit Owner's

contribution toward Common Expenses or Limited Common Expenses by waiver of the use or enjoyment of any of the Common Elements, Limited Common Elements or by abandonment of an Owner's Unit. No Unit Owner shall be liable for the payment of any part of the Common Expenses or Limited Common Expenses assessed against such Owner's Unit subsequent to a sale or other conveyance by the Owner of such Unit. The purchaser of a Unit shall be jointly and severally liable with the selling Unit Owner for all unpaid assessments against such Unit up to the time of conveyance without prejudice to the purchaser's right to recover from the selling Unit Owner the amounts paid by the purchaser therefor. Whenever any Unit may be sold or mortgaged by the Owner thereof, which sale shall be concluded only upon compliance with the other provisions of this Declaration, the Association, upon written request of the Owner or purchaser of such Unit, shall furnish to the Owner, the purchaser or any proposed Mortgagee (within the time period prescribed by the Act) a statement verifying the status of the payment of any assessment which shall be due and payable to the Association by the Owner of such Unit and the other information required by the Act. Any purchaser or proposed Mortgagee may rely upon such statement in concluding the proposed purchase or mortgage transaction and the Association shall be bound by such statement. In the event that a Unit is to be sold or mortgaged when any assessment is outstanding against the Owner of such Unit and such assessment due the Association is in default, the purchase or mortgage proceeds shall first be applied by the Purchaser or Mortgagee to the payment of any delinquent assessment or installment due the Association before application of the payment to the selling Unit Owner.

5.07 Default In Payment Of Assessments.

The payment of any assessment or installment thereof due the Association shall be in default if such assessment or any installment thereof is not paid to the Association on or before the due date for such payment. When in default, the delinquent assessment or delinquent installment due the Association shall bear interest at the rate established by the Board of Directors not to exceed the maximum interest rate per annum allowed by law, until such delinquent assessment or installment and all interest due thereon has been paid in full. The Association shall have a lien against Units for delinquent assessments. Said lien shall secure and does secure the monies due for all assessments then or thereafter levied against the Owner of each Unit, and such lien shall also secure interest, if any, which may be due on the amount of any delinquent assessment owing the Association. Said lien shall also secure all costs and expenses, including late penalties and reasonable attorneys' fees and court costs incurred by the Association in collecting delinquent assessments and enforcing the same upon said Unit and its appurtenant undivided interest in the Common Elements or Limited Common Elements. The lien granted to the Association may be foreclosed in the same manner as real estate mortgages in the State of Alabama. The lien granted to the Association shall further secure such advances for taxes and payment on account of superior mortgages, liens, or encumbrances which may be required to be advanced by the Association in order to protect and preserve its lien, and the Association shall further be entitled to interest at the maximum legal rate on judgments or the rate established by the Board of Directors, whichever is greater, on any such advance made for such purpose. All persons, firms or corporations who shall

acquire, by whatever means, any interest in the ownership of any Unit or who may be given or acquire a mortgage, lien, or other encumbrance thereon are hereby placed on notice of the lien rights granted to the Association and shall acquire such interest in any Unit expressly subject to the lien.

The lien herein granted to the Association shall be effective from and after the time of the original recording of this Declaration in the Office of the Judge of Probate of Baldwin County, Alabama, and no further recordation of any claim of lien for assessment under this section is required. Such lien shall include only assessments which are due and payable when the action to enforce the lien is commenced plus late penalties and penalties imposed by the Association for Rules, Regulations and/or Restrictions violations, interest, costs, reasonable attorneys' fees, advances to pay taxes and prior encumbrances and interest thereon, all as above provided.

5.08 Election Of Remedies.

Institution of a suit at law to collect payment of any delinquent assessments shall not be deemed to be an election by the Association which shall prevent its thereafter seeking enforcement of the collection by foreclosure of any sums remaining owing to it, nor shall proceeding by foreclosure to effect such collection be deemed to be an election precluding the institution of a suit at law to collect any sum then remaining owing to the Association. The Association shall be entitled to bid at any sale held in connection with the foreclosure of the assessment lien and may apply as a cash credit against its bid all sums secured by the lien enforced.

ARTICLE VI

This section shall not relieve a Unit Owner of liability for damage to the Common Elements or Limited Common Elements caused by the Unit Owner, the Unit Owner's family members, guests, invitees, lessees or licensees as a consequence of the negligence, recklessness or willful misconduct of such person. The cost of repair for any damage so caused by the Unit Owner, the Unit Owner's family members, guests, invitees, lessees or licensees shall be a special assessment against the Unit Owner responsible therefor.

6.02 Each Owner's Obligation To Repair.

(A) Except for those portions of the Condominium Property which the Association is required to maintain and repair, each Owner shall, at such Owner's expense, maintain the Private Elements attributable to such Owner's Unit in good tenantable condition and repair, and shall be responsible for the repair, maintenance and replacement, if necessary, of the following items in such Owner's Unit:

- (1) Fixtures and equipment in such Owner's Unit, including the refrigerator, stove and all other appliances within the Unit; drains, sinks, plumbing and plumbing fixtures, and connections within the Unit; electrical panels, wiring, outlets, and electrical fixtures within the Unit; interior doors, window screening and the inside surfaces of all exterior doors. - (2) Plumbing, heating, air conditioning and electrical systems serving only that Unit, including the fuse boxes, wiring, flues, and all other plumbing, electrical, gas or mechanical systems.

(B) Each Unit Owner agrees as follows:

- (1) To perform all maintenance, repairs and replacements which are the Unit Owner's obligations under Paragraph (A) of this Section;
- (2) To pay all utilities as herein provided and all taxes levied against the Owner's Unit;

 - (5) Not to make any alteration, addition, improvement, decoration, repair, replacement or change to the Common Elements, Limited Common Elements, or to any outside or exterior portion of the Unit, excluding any alteration or addition made pursuant to the procedure described in Subparagraph (4) above and including, but not limited to, altering in any way exterior doors, windows, or the exterior faces of the exterior doors or windows, affixing outside shutters to windows or painting any part of the exterior of an Owner's Unit, without the prior written consent of the Association; provided that if such consent is granted, the Unit Owner shall use only a contractor approved by the Association, who shall comply with all Rules, Regulations and Restrictions with respect to the work which may be adopted by the Association and the Unit shall be liable for all damages to another Unit or to the Common Elements or Limited Common Elements caused by any contractor employed by such Unit Owner or by the subcontractors or employees of such contractor, whether said damages are caused by negligence, accident, or otherwise; and
 - (6) To promptly report to the Association any defects or needed repairs for which the Association is responsible.
- (C) The Association shall be obligated to answer any request by a Unit Owner for any required approval of a proposed addition, alteration or improvement (by painting or otherwise) within forty-five (45) days after such request, but its failure to do so within the stipulated time shall not constitute the consent of the Association to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any Unit shall be executed by the Association, without, however, it's incurring any liability on the part of the Board of Directors or any one (1) of them or the Association to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim of injury to a person or damage to property arising therefrom. The review by the Association under this section

shall in no way make the Association liable for any alterations, additions, or improvements by any Unit Owner. Rather, such review is for purposes of aesthetics and control only.

6.03 Alterations, Additions And Improvements By The Association.

Except in the case of loss or damage to the Common Elements Or Limited Common Elements as contemplated by Article IX of this Declaration, the Association shall not make any material structural alterations, capital additions or capital improvements to the Common Elements or Limited Common Elements (other than for the purpose of replacing, restoring or rehabilitating portions of the Common Elements or Limited Common Elements which is in accordance with this Declaration and which does not require an expenditure of more than Twenty-Five Thousand and No/100 (\$25,000.00) Dollars, exclusive of any funds applied from the reserves maintained hereunder), unless the same is authorized by the Board of Directors and ratified by the affirmative vote of not less than two-thirds (2/3) of the Members of the Association present at any regular or special meeting of the Members called for that purpose at which a quorum is present. The cost of the foregoing shall be assessed against the Owners of Units as provided herein except as otherwise provided in this section. Where any alterations or additions as aforesaid are exclusively or substantially exclusively for the benefit of the Unit Owners requesting the same, then the cost of such alterations or additions shall be assessed against and collected solely from the Unit Owners exclusively, or substantially exclusively, benefiting therefrom, and the assessment shall be levied in such proportions as may be determined to be fair and equitable by the Board of Directors. 6.04 Utilities.

Each Unit Owner shall be required to pay all charges for utilities, including but not limited to electricity, gas, cable television, and telephone service, used or consumed in an Owner's Unit. The utilities serving the Common Elements only shall be separately metered and paid by the Association as a Common Expense. The Association shall have authority to pay the cost of the utilities used or consumed in the Units and have the costs thereof apportioned among the Units based upon use of the utility or any other formula the Association may deem appropriate.

All expenses of such actions or proceedings against a defaulting Unit Owner, including court costs, attorneys' fees and other fees and expenses, and all damages, liquidated or otherwise, together with interest thereon at the highest lawful rate on judgments until paid, shall be charged to and assessed against such defaulting Owner, and the Association shall have a lien for all the same upon the Unit of such defaulting Owner, upon all of such defaulting Owner's additions and improvements thereto and a security interest under the Alabama Uniform Commercial Code upon all of such defaulting Owner's personal property in such defaulting Owner's Unit or located

elsewhere on the Condominium Property. Nothing herein contained shall prevent an Owner from maintaining such an action or proceeding against the Association and the expense of any action to remedy a default of the Association shall be a Common Expense if a court of competent jurisdiction finds the Association to be in default as alleged in such action or proceeding.

7.06 Failure Of The Association To Insist On Strict Performance; No Waiver.

Failure of the Association to insist in any one or more instances upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment from the future performance of such term, covenant, condition or restrictions but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of any assessment from an Owner with knowledge of the breach of any covenant hereof shall not be deemed to be a waiver of such breach and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board of Directors.

ARTICLE VIII

After the date of such foreclosure sale, said lien, if any, shall be claimed and shall have the same effect and be enforced in the same manner provided herein.

- (B) No provision of this Declaration, the Articles, the By-Laws or the Rules, Regulations and Restrictions shall be construed to grant to any Unit Owner, or to any other party any priority over any rights of the Mortgagees of the Units pursuant to their Mortgages in the case of distribution to Unit Owners of the insurance proceeds or condemnation awards for losses or a taking of Units or the Common Elements, the Limited Common Elements or any portion thereof.

- (C) As provided in the Act, all assessments, property taxes and other charges imposed by any taxing authority which may become liens prior to a Mortgage, shall be separately assessed against and collected on each Unit as a single parcel, and not on the Condominium as a whole.
- (D) No breach of the covenants, conditions or restrictions herein contained shall defeat or render invalid the lien of any Mortgage made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or otherwise.

8.05 Request For Protection By Mortgagees.

Whenever any Mortgagee desires the benefit of the provisions of this Article to be applicable to such Mortgagee, the Mortgagee shall serve written notice of such fact upon the Association, by registered or certified mail, addressed to the Association, and actually mailed to the Association's address, identifying the Unit upon which it holds a Mortgage or identifying any Units owned by it, together with sufficient pertinent facts to identify any Mortgage which may be held by the Mortgagee. CASUALTY LOSS AND INSURANCE

9.01 Responsibility Of Owners; Separate Insurance Coverage.

- (A) The Owner of each Unit may, at the Unit Owner's expense, obtain insurance coverage for loss of or damage to the Private Elements, any furniture, furnishings, personal effects, and other property belonging to such Owner, and may, at the Unit Owner's expense, obtain insurance coverage against personal liability for injury to the person or property of another while within such Owner's Unit or upon the Common Elements or Limited Common Elements. Risk of loss of or damage to any furniture, furnishings and personal property belonging to or carried on the person of the Owner, or which may be stored in any Unit, or in or upon Common Elements or Limited Common Elements, shall be borne by the Owner of each Unit. All furniture, furnishings and personal property constituting a portion of the Common Elements and held for the joint use and benefit of all Owners of Units shall be covered by such insurance as the same shall be maintained in force and effect by the Association as hereinafter provided. Each Owner shall be required to notify the Association of all improvements made by the Owner to the Owner's Unit, the value of which is in excess of Five Thousand Five Hundred and No/100 (\$5,500.00) Dollars. All insurance obtained by the Owner of each Unit shall, whenever such provisions shall be available, provide that the insurer waives its right of subrogation as to

any claims against other Owners or the Association and their respective servants, agents, employees and guests.

- (B) In the event casualty insurance maintained by an Owner causes a decrease in the amount of the insurance coverage maintained by the Association for the benefit of all Owners on a casualty loss to the Condominium Property by reason of proration or otherwise, the Owner so maintaining such insurance shall be deemed to have assigned to the Association the proceeds collected on such policy for loss or damage to the Condominium Property and such proceeds shall be paid directly to the Association by the insurer. Any such insurance proceeds shall be applied and distributed by the Association in accordance with this Article.

9.02 **Insurance To Be Maintained By The Association.**

(A) **Hazard Insurance.**

The Association shall obtain and maintain at all times a policy or policies of multi-peril type hazard insurance, including insurance for such other risks of a similar or dissimilar nature, as are or shall hereafter customarily be covered with respect to other condominium projects similar in construction, design, location and use, insuring the Condominium Property against loss or damage by the perils of fire, lightning and those perils contained in extended coverage, vandalism and malicious mischief endorsements. If the Condominium Property is located in an area identified by the Secretary of Housing and Urban Development as having special flood hazards, the Board shall, to the extent obtainable, insure the insurable property included in the Condominium Property against the perils of flood under the National Flood Insurance Act of 1968 and acts amendatory thereto. The amount of insurance coverage shall be determined on a replacement cost basis in an amount not less than one hundred percent (100%) of the then current replacement cost of the improvements in the Condominium Property including fixtures and equipment inside the Units (but excluding land, foundations, excavations and other items usually excluded from such insurance coverage). Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Association or the Insurance Trustee (hereinafter defined), as trustee for the use and benefit of the individual Owners (without naming them) in the proportionate shares equal to their respective percentage ownership of the Common Elements and Limited Common Elements. Periodically, prior to the renewal of any such policy or policies of insurance, the Association shall obtain an opinion or an appraisal from a qualified appraiser for the purpose of determining the full replacement cost of the Common Elements, the Limited Common Elements and the Units for the amount of insurance to be obtained pursuant hereto. The cost of any such opinion or appraisal shall be a Common Expense. All such policies of insurance shall comply with the provisions of this Article and shall:

- (1) Contain standard mortgagee loss payable clause endorsement in favor of the Mortgagee or Mortgagees of each Unit, if any, as their respective interests may appear; and
- (2) Provide that the insurance shall not be invalidated by an act or neglect of any Owner.

(B) **Public Liability And Property Damage Insurance.**

The Association shall obtain and maintain at all times a comprehensive policy or policies of public liability and property damage insurance in such amount, but not less than One Million (\$1,000,000.00) Dollars, and in such form as shall be required by the Association to protect said Association and the Owners of all Units, which provide coverage for bodily injury and property damage resulting from the operation, maintenance or use of the Common Elements and Limited Common Elements and for legal liability resulting from employment contracts to which the Association is a party, and for claims against the officers and members of the Board of Directors for claims arising out of the negligent performance of their duties.

(C) **Worker's Compensation Insurance.**

The Association shall obtain and maintain at all times a policy or policies of worker's compensation insurance to meet the requirements of the laws of the State of Alabama.

(D) **Fidelity Bonds.**

The Association shall obtain and maintain fidelity bonds for any person who either handles or is responsible for funds held or administered by the Association naming the Association as the obligee. The amount of the fidelity bond should cover the maximum funds that will be in the custody of the Association, but not less than the sum of three (3) months' assessments on all Units plus the reserve funds of the Association, if any.

(E) **Other Insurance.**

The Association shall obtain and maintain such other insurance coverage as the Board of Directors, in its sole discretion, may determine from time to time to be in the best interest of the Association and the Owners of all Units.

9.03 Governing Provisions.

All insurance obtained and maintained by the Association as provided above shall be governed by the following provisions:

(A) All policies shall:

- (1) Comply with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association as they shall apply to condominium loans; and
- (2) Be written with a company licensed to do business in the State of Alabama and holding a financial rating of "A" or better by Best's Insurance Reports or other than comparable rating. To the extent that the provisions of this Declaration with respect to the maintenance of insurance shall conflict with the hazard and casualty insurance requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, then the requirements of the Federal Home Loan Mortgage Corporation and the Federal National Mortgage Association shall control and such requirements shall be complied with by the Association.

(B) Exclusive authority to adjust all claims under the policies hereafter in force on the Condominium Property shall be vested in the Association or its authorized representatives.

(C) In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with the insurance purchased by the individual Owners or their Mortgagees.

(D) The Association shall be required to make every effort to secure insurance policies that will provide for the following:

- (1) A waiver of subrogation by the insurer as to any claims against the Association, the Board of Directors or the Owners;
- (2) An agreement by the insurer that the insurance coverage cannot be terminated or materially changed without thirty (30) days prior written notice to the Association and the Mortgagee of each Unit;
- (3) The insurance coverage will be primary, even if a Unit Owner has other insurance that covers the same loss; and
- (4) No act or omission by any Unit Owner, unless acting within the scope of Unit Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy.

9.04 Premiums.

Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense; except that the amount of increase over the usual premium occasioned by the use, misuse, occupancy or abandonment of a Unit or its appurtenances or of the Common Elements by an Owner shall be assessed against that Owner.

9.05 Insurance Trustee.

The Association may engage the services of a bank or trust company authorized to do trust business in the State of Alabama and having a capital surplus of not less than Fifty Million (\$50,000,000.00) Dollars to act on its behalf as an insurance trustee ("Insurance Trustee") and to receive and disburse the insurance proceeds in accordance with the provisions of this Declaration. In the event the lowest of two (2) bids from reputable contractors for making all repairs required by any such loss shall exceed Fifty Thousand and No/100 (\$50,000.00) Dollars, the Association upon written demand of the Mortgagee of any Unit shall engage the services of a bank or trust company to act as Insurance Trustee as aforesaid. The Association, as a Common Expense, shall pay a reasonable fee to said Insurance Trustee for its services rendered hereunder, and shall pay such costs and expenses as said Insurance Trustee may incur in the performance of any duties and obligations imposed upon it hereunder. Said Insurance Trustee shall be liable only for its willful misconduct, bad faith or gross negligence, and then for only such money which comes into the possession of said Insurance Trustee. Whenever the Insurance Trustee may be required to make a distribution of insurance proceeds to Owners of Units and their Mortgagees, as their respective interests may appear, or to any other party for repair, replacement or reconstruction of property, the Insurance Trustee may rely upon a certificate of the President and Secretary of the Association, executed under oath, which certificate will be provided to said Insurance Trustee upon request made to the Association. Such certificate is to certify unto said Insurance Trustee the name of the Owner of each Unit, the name of the Mortgagee who may hold a Mortgage encumbering each Unit, and the respective percentages of any distribution which may be required to be made to the Owner of any Unit, and the Unit Owner's respective Mortgagee, as their respective interests may appear, or to certify the name of the party to whom payments are to be made for repair, replacement or reconstruction of all or a portion of the Condominium Property. The rights of the Mortgagee of any Unit under any standard mortgagee clause endorsement to such policy shall, notwithstanding anything to the contrary therein or in any Mortgage contained, at all times be subject to the provisions hereof with respect to the application of insurance proceeds to reconstruction of the damaged Condominium Property; provided, however, that if the Association or the Insurance Trustee fails to perform all the conditions precedent required by the policy or policies of insurance, and fails to collect the amount of the loss within the time required by law, and the Mortgagee or Mortgagees are required to avail themselves of their rights under the standard mortgagee clause to collect the proceeds of the policy or policies of insurance, any amount so collected through the efforts of said Mortgagee or Mortgagees shall be applied as directed by said Mortgagee or Mortgagees. No provision hereof shall

entitle an Owner or any other party to any priority over a Mortgagee with respect to the distribution of any insurance proceeds with respect to such Unit.

9.06 Loss To Common Elements Only.

In the event of the loss of or damage to only Common Elements, real or personal, by reason of fire or other casualties, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or the Insurance Trustee, as the case may be, to cover such loss or damage shall be applied to the repair, replacement or reconstruction of such loss or damage. If the insurance proceeds are in excess of the cost of the repair, replacement or reconstruction of such Common Elements, then such excess insurance proceeds shall be paid by the Insurance Trustee to the Owners of all Units. The distribution to be separately made to the Owner of each Unit and Unit Owner's respective Mortgagee, as their interests may appear, in such proportion that the share of such excess insurance proceeds paid to the Owner of each Unit and Unit Owner's Mortgagee shall bear the same ratio to the total excess insurance proceeds as the undivided interest in the Common Elements appurtenant to each Unit bears to the total undivided interest in the Common Elements appurtenant to all Units. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty loss or damage payable to the Association or the Insurance Trustee are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be so sufficient, then the Association shall pay, or shall deposit sufficient funds with the Insurance Trustee to completely pay for the repair, replacement or reconstruction of any loss or damage, as the case may be. The monies to be so paid, or deposited by the Association with the Insurance Trustee, may be paid by the Association out of its reserve or replacement fund and if the amount in such reserve or replacement fund is not sufficient, or if the Board of Directors determines not to use such fund for said purpose, then the Association shall levy and collect an assessment against the Owners of all Units in an amount which shall provide the funds required to pay for said repair, replacement or reconstruction.

9.07 Loss To Common Elements, Limited Common Elements And/Or Private Elements.

In the event of loss of or damage to Common Elements, Limited Common Elements and/or any Private Element of any Unit by reason of fire or other casualty, which loss or damage is covered by fire and casualty insurance, the proceeds paid to the Association or Insurance Trustee, as the case may be, to cover such loss or damage, shall be first applied to the repair, replacement or reconstruction of the Common Elements, then to the repair, replacement or reconstruction of the Private Elements and the Limited Common Elements sustaining any loss or damage, then such excess insurance proceeds shall be paid and distributed by the Insurance Trustee to the Owners of all Units, and to their Mortgagees, as their respective interests may appear. Such distributions are to be made in the manner and in the proportions as are provided for the distribution of insurance proceeds under this Article. If there is no insurance coverage for such loss or damage, or if it appears that the insurance proceeds covering the fire and casualty loss or damage

payable to the Association or the Insurance Trustee, as the case may be, are not sufficient to pay for the repair, replacement or reconstruction of the loss or damage, or that the insurance proceeds when collected will not be sufficient, then the Board of Directors shall, based on reliable and detailed estimates obtained by it from competent and qualified parties, determine and allocate the cost of repair, replacement or reconstruction between the Common Elements, the Limited Common Elements and the Private Elements of Units sustaining any loss or damage. If the proceeds of said fire and casualty insurance, if any, are sufficient to pay for the repair, replacement or reconstruction of any loss of or damage to the Common Elements, but are not sufficient to repair, replace or reconstruct any loss of or damage to the Limited Common Elements or the Private Elements of Units sustaining damage, then the Association shall levy and collect an assessment from the respective Owners of the Private Elements and/or the Owners to whom Limited Common Elements have been allocated which sustained any loss or damage, and the assessment so collected from said Owner shall be deposited with the Insurance Trustee, if any, so that the sum shall be on deposit for the repair, replacement or reconstruction of all Common Elements, Limited Common Elements, if any, and Private Elements of Units. In said latter event, the assessment to be levied and collected from the Owner of each Private Element sustaining loss or damage shall be apportioned between such Owners in such manner that the assessment levied against each Owner of a Private Element shall bear the same proportion to the total assessment levied against all of said Owners of Units sustaining loss or damage as the cost of repair, replacement or reconstruction of each Owner's Private Element bears to the cost applicable to all of said Private Elements sustaining loss or damage. If the fire and casualty insurance proceeds, if any, payable to the Association or the Insurance Trustee in the event of the loss of or damage to Common Elements, the Limited Common Elements and the Private Elements of Units are not an amount which will pay for the complete repair, replacement or reconstruction of the Common Elements, it being recognized that such insurance proceeds are to be first applied to the payment for repair, replacement or reconstruction of said Common Elements before being applied to the repair, replacement or reconstruction of any Limited Common Elements or Private Elements of a Unit sustaining loss or damage, then the cost to repair, replace, or reconstruct said Common Elements in excess of available fire and casualty insurance proceeds shall be levied and collected as an assessment from the Owners of all Units in the same manner as would be levied and collected had the loss or damage sustained been solely to the Common Elements and the fire and casualty insurance proceeds been not sufficient to cover the cost of repair, replacement or reconstruction. The cost of repair, replacement or reconstruction of the Limited Common Elements and the Private Elements of each Unit sustaining loss or damage shall then be levied and collected by assessment of the Owners of the Private Elements sustaining the loss or damage in the same manner as is above provided for the apportionment of such assessment between Owners of Limited Common Elements and Private Elements sustaining loss or damage.

9.08 Estimates Of Repair; Plans And Specifications; Payment Of Assessments.

In the event of loss or damage to Condominium Property, the Association shall, within sixty (60) days after any such occurrence, obtain reliable and detailed estimates of the cost of restoring damaged property to a condition as good as that which prevailed before such loss or damage. The estimate of repair shall be based upon the plans and specifications of the original building, portions of which are attached as Exhibit A to this Declaration as the same may from time to time be amended, or such other plans and specifications as may be approved by the Board of Directors, by all of the Owners of the damaged Units, and by not less than two-thirds (2/3) of the Members of the Association including the Owners of damaged Units. The Association shall be appointed as attorney-in-fact for each Unit Owner for the purpose of representing the Unit Owners in any proceeding, negotiation, settlement, or agreement arising from any loss or damage to the Condominium Property. Such estimates are to contain and include the cost of any professional fees and premiums for such bonds as the Board of Directors may deem to be in the best interest of the membership of said Association. Whenever it shall appear that the insurance proceeds payable for such loss or damage will not be sufficient to defray the cost of repair, replacement or reconstruction thereof, the additional money required to completely pay for such repair, replacement or reconstruction of said loss or damage whether to be paid by all of the Owners of Units or only by the Owners of Units sustaining loss or damage, or both, as herein provided, shall be paid to the Association and deposited with the Insurance Trustee, if any, not later than thirty (30) days from the date on which the Association or the Insurance Trustee, as the case may be, shall receive the monies payable from the policies of fire and casualty insurance.

ARTICLE X

CONDEMNATION

10.01 Condemnation Considered A Casualty Loss.

The taking of a portion of a Unit or Private Element, the Common Elements or the Limited Common Elements by eminent domain shall be deemed to be a casualty loss, and except as otherwise provided below, the awards for such taking shall be deemed to be proceeds from insurance on account of the casualty and shall be applied and distributed by the Association in accordance with the provisions of Article IX. Even though the awards may be payable to the Owners, the Owners shall deposit the awards with the Association or Insurance Trustee, as the case may be; in the event of failure to do so, at the discretion of the Board of Directors, a special assessment shall be made against a defaulting Owner in the amount of such defaulting Owner's award, or the amount of such award shall be set off against the sums hereinafter made payable to such Owner. If any Unit or portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Mortgagee of such Unit shall be entitled to timely written notice of any such proceeding or proposed acquisition as provided herein, and no provision hereof shall entitle the

Owner of such Unit or other party to priority over such Mortgagee with respect to the distribution of any award or settlement to the Owner of the Unit.

10.02 **Partial Condemnation.**

In the event that the Condominium Property is not to be terminated and one or more Units are taken in part, the taking shall have the following effects:

- (A) If the taking reduces the size of a Unit and the remaining portion of that Unit can be made tenantable, the award for the taking for a portion of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium Property:
 - (1) The Unit shall be made tenantable.
 - (2) The balance of the award, if any, shall be distributed to the Owner of the Unit and the Mortgagee of the Unit, as their respective interests may appear.
 - (3) If there is a balance of the award distributed to the Owner and the Mortgagee, the share of the Common Elements or Limited Common Elements, if any, appurtenant to the Unit shall be equitably reduced. This shall be done by reducing such share by the proportion which the balance of the award so distributed bears to the market value of the Unit immediately prior to the taking, and then re-computing the shares of all Owners in the Common Elements and the Limited Common Elements as percentages of the total of their shares as reduced by the taking.
 - (4) If the taking destroys or so reduces the size of a Unit so that it may not be made tenantable, the award for the taking of the Unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium Property:
 - (a) The market value of such Unit immediately prior to the taking, shall be paid to the Owner of the Unit and to each Mortgagee of the Unit as their respective interest may appear.
 - (b) The remaining portion of such Unit, if any, shall become a part of the Common Elements and shall be placed in condition for use by all of the Owners, in the manner approved by the Board of Directors; provided, however, that if the cost of such work shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner required for further improvement of the Common Elements as provided herein.

- (c) The shares in the Common Elements appurtenant to the Units which continue as a part of the Condominium Property shall be equitably adjusted to distribute the ownership to the Common Elements among the reduced number of Owners. This shall be done by re-computing the shares of such continuing Owners in the Common Elements as percentages of the total of the shares of such Owners as they exist prior to the adjustment.
 - (d) If the amount of the award for taking is not sufficient to pay the market value of the condemned Unit to the Owner and to restore the remaining portion of the Unit in condition for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by assessments against all of the Owners who will continue as Owners of the Units after the changes in the Condominium Property effected by the taking. Such assessment shall be made in proportion to the share of such Owners in the Common Elements after the changes effected by the taking.
- (B) If the market value of a Unit prior to the taking cannot be determined by agreement between the Owner and the Mortgagee and the Association within thirty (30) days after notice by any such party that agreement cannot be reached, such value shall be determined by three (3) independent qualified appraisers with one (1) appraiser to be selected by the Association, one (1) appraiser to be selected by the Owner and Mortgagee, and one (1) appraiser to be selected by the two (2) appraisers so appointed, and the fair market value of the Unit shall be deemed to be the average of the two (2) appraisals of the fair market value of the Unit made by said appraisers having the least difference in amount. The cost of such appraisal shall be assessed against all Owners in the shares of the Owners in the Common Elements as they existed prior to the changes effected by the taking.
- (C) Changes in the Units, in the Common Elements and/or Limited Common Elements, in the ownership of the Common Elements and/or Limited Common Elements and in the shares of liability for Common Expenses and/or Limited Common Expenses which are effected by eminent domain, shall be evidenced by an amendment of this Declaration which is approved by the Board of Directors in accordance with this Declaration and the Association's By-Laws.

10.03 Association Appointed As Attorney-In-Fact For Unit Owners.

The Association shall be appointed as attorney-in-fact for each Unit Owner for the purpose of representing such Unit Owners in any proceeding, negotiation, settlement or agreement arising from the condemnation or taking by eminent domain of the Condominium Property or any portion thereof.

ARTICLE XI
TERMINATION

11.01 Destruction Of The Condominium Property.

- (A) Notwithstanding anything to the contrary contained in this Declaration, if the Board of Directors shall determine that either of the following conditions exist:
- (1) Two-thirds (2/3) or more of the Units in the Condominium Property shall have been destroyed or substantially damaged by fire, wind, water, or other natural causes, or a combination of such (including condemnation); or
 - (2) The Condominium Property has been in existence in excess of forty (40) years and substantially all of the Units in the structure have substantially deteriorated and have been rendered substantially obsolete; then the Board of Directors may call a meeting of the Members of the Association to consider and vote upon whether to restore, repair and/or rebuild the Condominium Property, and if not, whether to terminate the Declaration and remove the Condominium Property from the provisions of the Act if approved by the affirmative vote of at least eighty percent (80%) of the Owners of all Units (based upon one vote for each Unit) and by at least eighty percent (80%) of all Mortgagees (based upon one vote for each Mortgage owned) after notice given as provided herein, the Declaration and plan of condominium ownership established herein shall be subject to termination as provided in the Act and the Association shall be authorized to file on behalf of and in the name of the Unit Owners and shall file a petition for such termination and removal with the Circuit Court of Baldwin County, Alabama. If less than eighty percent (80%) of the Owners of all Units and/or less than eighty percent (80%) of the Mortgagees vote in favor of terminating the Condominium Property as herein required, the Condominium Property shall be restored, repaired and/or rebuilt in accordance with these provisions.
- (B) In the event that the Circuit Court of Baldwin County, Alabama, shall grant the petition for termination of this Declaration and the plan of condominium ownership as provided in Paragraph (A) above, all of the Owners of Units shall be and become tenants in common as to ownership of the Land and any then remaining improvements thereon. The undivided interest in the Land and remaining improvements held by the Owner of each Unit shall be the same as the undivided interest in the Common Elements which were formerly appurtenant to such Unit, and the lien of any Mortgage or other encumbrance upon each Unit shall attach to the percentage of undivided interest of the Owner of a Unit in the Land and then remaining improvements as above

provided. The Owners of Units to which Limited Common Elements have been allocated in this Declaration shall own each such Limited Common Element appurtenant to each Owner's Unit and the lien of any Mortgage or other encumbrance upon such Units shall attach to the Limited Common Elements of each respective Owner's Unit. Upon termination of this Declaration and the plan of condominium ownership established herein, the Owners of all Units still inhabitable shall within sixty (60) days from the date of the granting of the petition, deliver possession of their respective Units to the Association. Upon such delivery of possession, the Owners of inhabitable Units and their respective Mortgagees, as their interests may appear, shall become entitled to participate proportionately together with all Owners of uninhabitable Units in the distribution of proceeds in the possession of the Association or the Insurance Trustee. Upon such termination of this Declaration and the plan of condominium ownership established herein, the Association or the Insurance Trustee, as the case may be, shall distribute any insurance indemnity which may be due under any policy or casualty insurance to the Owners of the Units and their Mortgagees as their respective interests may appear, such distribution to be made to the Owner of each Unit in accordance with such Owner's then undivided interest in the Land and remaining improvements as herein provided. The Land and any remaining improvements thereon shall be subject to all easements of record, except the easements created in the Condominium Documents. The assets of the Association upon termination of the plan of condominium ownership created by this Declaration shall then be distributed to the Owner of each Unit and Unit Owner's Mortgagee, as their respective interests may appear, in the same manner as is above provided for the distribution of any final insurance indemnity.

11.02 Termination By Consent.

Except in the event of this Declaration and plan of condominium ownership established herein being terminated as provided above, this Declaration and said plan of condominium ownership may only be otherwise terminated by the consent of one hundred percent (100%) of the Owners of all Units and all parties holding Mortgages, liens or other encumbrances, against any of said Units, in which event the termination of the Condominium Property shall be by such plans as may be then unanimously adopted by said Owners and parties holding any Mortgages, liens or other encumbrances. Such election to terminate this Declaration and the plan of condominium ownership established herein shall be evidenced by a termination agreement executed in writing by all of the aforesaid parties in recordable form in accordance with the Act, and such instrument shall be recorded in the Probate Office of Baldwin County, Alabama.

ARTICLE XII

AMENDMENT

12.01 Amendments By Unit Owners.

The Declaration may be amended in the following manner:

- (A) A proposal to amend this Declaration may be considered at any meeting of the Members of the Association called for that purpose in accordance with the provisions of the By-Laws; provided that the Association provides prior written notice of such meeting to the Mortgagees as provided above. The proposal to amend the Declaration must be approved by the affirmative vote of the holders of not less than 2/3 of the outstanding votes of the Association or Mortgagees.
- (B) By unanimous consent or agreement of the Unit Owners and the Mortgagees as evidenced by their signature to the amendment.

Notwithstanding the foregoing, no amendment to the Declaration under this article shall change a Unit including the ownership in Common Elements, responsibility for Common Expenses and voting rights, without the prior written approval of the Unit Owner or Unit Owners so affected and prior written approval of the holders of record of any mortgage or other liens on the Unit or Units so affected.

12.02 Effectiveness Of Amendments.

A copy of each amendment so adopted shall be certified by the President or a Vice President and Secretary or Assistant Secretary of the Association as having been fully adopted, and shall be effective when recorded in the Probate Court of Baldwin County, Alabama.

Upon such recordation, the Owner of the Unit designated by such instrument shall become a member of the Association and the membership of the prior Owner shall be terminated. The share of a member in the funds or assets of the Association cannot be assigned, hypothecated, or transferred in any manner, except as an appurtenance to the Unit. The number of votes to be cast by Owner(s) of a Unit and the manner of exercising voting rights shall be determined by the Declaration and the By-Laws of the Association.

Notwithstanding the foregoing, any person or entity who holds an interest in a Unit in the Condominium merely as security for the performance of an obligation shall not be a member of the Association, unless and until such security holder or mortgagee has acquired title to the Unit pursuant to foreclosure or any proceeding in lieu thereof and the deed thereby evidencing title has been duly and properly recorded, at which time, such security holder or mortgagee shall become a member and the debtor's membership shall thereupon cease, regardless of whether or not there is an outstanding right of redemption to the Unit.

ARTICLE VI

DIRECTORS

The affairs of the association shall be managed by a Board of Directors consisting of the number of Directors as shall be determined by the By-Laws; provided, however, that the Board of Directors shall consist of not less than three (3) Directors and not more than seven (7) Directors and in the absence of a provision in the By-Laws to the contrary, shall consist of five (5) Directors. Vacancies on the Board of Directors shall be filled in the manner provided by the By-Laws.

Any Director may be removed, either with or without cause at any time by the members at any regular or special meeting upon the affirmative vote of the holders of not less than two-thirds of the outstanding votes of the Association, and the vacancy in the Board caused by any such removal may be filled by the members at such meeting or at any subsequent meeting in the manner prescribed in the By-Laws for the filling of vacancies on the Board.

The initial By-Laws of this Association shall be adopted by its Board of Directors. The power to alter, amend, or repeal the By-Laws or adopt new By-Laws shall be vested in the members at any regular or special meeting upon the affirmative vote of the holders of not less than two-thirds (2/3) of the outstanding votes present at such meeting in person or represented by proxy.

ARTICLE VII

ARTICLE IX

RELATED PARTY TRANSACTIONS

No contract or other transaction between the Association or any person, firm, association or corporation and no other act of the Association shall, in the absence of fraud, be invalidated or in any way affected by the fact that any of the Directors of the Association are directly or indirectly, pecuniarily or otherwise interested in such contract, transaction or other act, or are related to or interested in (either as director, stockholder, officer, employee, member or otherwise) such person, firm, association or corporation. Any Director of the Association individually, or any firm or association of which any Director may be a member, may be a party to, or may be pecuniarily or otherwise interested in, any contract or transaction of the Association, provided that the fact that he, individually, or such firm or association is so interested, shall be disclosed or known to the Board of Directors or a majority of the members thereof as shall be present at any meeting of the Board of Directors or of any committee of Directors having the powers of the full Board, at which action upon any such contract, transaction or other act is taken, and if such fact shall be so disclosed or known, any Director of the Association so related or otherwise interested may be counted in determining the presence of a quorum of any meeting of the Board of Directors or of such committee, at which action upon any such contract, transaction or act shall be taken, and may vote with respect to such action with like force and effect as if he were not so related or interested. Any Director of the Association may vote upon any contract or other transaction between the Association and any affiliated corporation without regard to the fact that he is also a director of such affiliated corporation.

ARTICLE X

INDEMNIFICATION

The Association shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed claim, action, suit or proceeding, whether civil, criminal, administrative or investigative, including appeals (other than an action by or in the right of the Association), by reason of the fact that he is or was a Director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, partner, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such claim, action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any claim, action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person

did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

The Association shall have the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed claim, action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a Director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, partner, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which court shall deem proper.

To the extent that a Director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in paragraphs one and two of this Article, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith, notwithstanding that he has not been successful on any other claim, issue or matter in any such action, suit or proceeding.

Any indemnification under the first two unnumbered paragraphs of this Article (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in paragraphs one and two of this Article. Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to, or who have been wholly successful on the merits or otherwise with respect to, such claim, action, suit or proceeding, or (2) if such a quorum is not obtainable, or even if obtainable, a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion, or (3) by the members.

Expenses (including attorneys' fees) incurred in defending a civil or criminal claim, action, suit or proceeding may be paid by the Association in advance of the final disposition of such claim, action, suit or proceeding as authorized in the final disposition of such claim, action, suit or proceeding as authorized in the manner

provided in paragraph four of this Article upon receipt of an undertaking by or on behalf of the Director, officer, employee or agent to repay such amount if and to the extent that it shall be ultimately determined that he is not entitled to be indemnified by the Association as authorized in this Article.

The indemnification authorized by this Article shall not be deemed exclusive of and shall be in addition to any other right (whether created prior or subsequent to the enactment of this Article) to which those indemnified may be entitled under any statute, rule of law, provisions of articles of incorporation, by-law, agreement, or disinterested Directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, partner, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provision of this Article.

ARTICLE XI

DISSOLUTION

The Association may be dissolved only by the members at any regular or special meeting upon the affirmative vote of the holders of not less than two-thirds of the outstanding votes of the association. Written notice of a proposal to dissolve, setting forth the reasons therefor and the disposition to be made of the assets (which shall be in accordance with Article XII hereof) shall be mailed to every member at least thirty (30) days in advance of any such action sought and shall be subject to prior approval of such dissolution by the Board of Directors in the manner required by the Alabama Non Profit Corporation Act.

ARTICLE XII

DISTRIBUTION UPON DISSOLUTION

Upon the dissolution of the Association, the assets of the Association shall be distributed to the members in the same manner as provided in the Declaration for the distribution of property subject thereto upon termination of the Condominium to the extent that any such distribution is not inconsistent with the provisions of the Condominium Act.

The principal office of the Association in the State of Alabama shall be located in the City of Orange Beach, County of Baldwin. The Association may have such other offices, either within or without the State of Alabama, as the Board of Directors may designate or as the business of the Association may require from time to time.

The registered office of the Association, required by the Alabama Non-Profit Corporation Act to be maintained in the State of Alabama, may be, but need not be, identical with the principal office in the State of Alabama, and the address of the registered office may be changed from time to time by the Board of Directors.

ARTICLE II

MEMBERSHIP

Section A. Annual Meeting.

The annual meeting of the Membership shall be held in the month of April each year at the hour of 9:00 A.M., or at such other time on such other day within such month as shall be fixed by the Board of Directors, for the purpose of electing Directors and for the transaction of such other business as may come before the meeting. If the election of Directors shall not be held on the day designated herein for any annual meeting of the Membership, or at any adjournment thereof, the Board of Directors shall cause the election to be held at a special meeting of the Membership as soon thereafter as may be convenient.

Section B. Special Meeting.

Special Meetings of the Membership, for any purpose or purposes, unless otherwise prescribed by statute, may be called by the President or by a majority of the Board of Directors and shall be called by the President or the Secretary at the request of holders of not less than twenty (20%) percent of all the outstanding votes of the Membership.

Section C. Place of Meeting.

The Board of Directors may designate any place, within or without the State of Alabama, as the place of meeting for any annual meeting or for any special meeting of the Membership. If no designation is made, or if a special meeting is otherwise called, the place of the meeting shall be the principal office of the Association in Orange Beach, Alabama.

Section D. Notice of Meeting.

Written or printed notice stating the place, day and hour of the meeting and, in case of a special meeting, or of a meeting which is required by statute to be held for any special purpose, or of an annual meeting at which special action is to be taken, the purpose or purposes for which the meeting is called, or the special action which is proposed to be taken, shall, unless otherwise prescribed by statute, be delivered not less than ten (10) nor more than sixty (60) days before the date of the meeting, either personally or by mail, by or at the direction of the President, the Secretary, or the persons calling the meeting, to each member of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his address as it appears on the records of the Association, with postage thereon prepaid.

Section E. Fixing of Record Date.

The Board of Directors may fix in advance a date as the record date for the purpose of determining the members entitled to notice of or to vote at any meeting of members or any adjournment thereof, or for any other proper purpose, such date in any case to be not more than thirty (30) days and, in case of a meeting of the Membership, not less than ten (10) days prior to the date on which the particular action requiring such determination of members is to be taken. If no record date is fixed for the determination of members entitled to notice of or to vote at a meeting of the Membership, the date on which notice of the meeting is mailed shall be the record date for such determination of members. When a determination has been made, as provided in this section, such determination shall apply to any adjournment thereof.

Section F. Voting Lists.

The officer or agent having charge of the records of members of the Association shall make, at least ten (10) days before each meeting of the Membership, a complete list of the members entitled to vote at such meeting, or any adjournment thereof, arranged in alphabetical order, with the address of each member and the number of votes to which he is entitled, which list, for a period of ten (10) days prior to such meeting, shall be kept on file at the principal office of the Association and shall be subject to inspection by any member making written request therefor at any time during usual business hours. Such list shall also be produced and kept open at the time and place of the meeting and shall be subject to the inspection of any member during the whole time of the meeting.

Section G. Quorum.

The presence at any meeting of the Membership of the members entitled to cast twenty (20%) percent of the votes in the Association, represented in person or by proxy, shall constitute a quorum. If a quorum is not present at any meeting, a majority of the members so represented may adjourn the meeting and reconvene from time to time without further notice. At any such reconvened meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally notified. The members present or represented at a meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

Section H. Majority Vote.

The vote of members entitled to cast a majority of the votes represented at a meeting of the Membership at which a quorum is present shall be the act of the members of the Association, unless the vote of a greater number is required by law, the Declaration, the Articles, or these By-Laws.

Section I. Proxies.

At all meetings of the Membership, a member may vote in person or by proxy executed in writing by the member or by his duly authorized attorney in fact. A proxy is void if it is not dated or purports to be revocable without notice. Such proxy shall be filed with the Secretary of the Association before or at the time of the meeting. No proxy shall be valid after one year from the date of its execution, unless a shorter term is provided in the proxy.

Section J. Voting Rights.

If only one of the multiple Owners of a Unit is present at a meeting of the Association, he is entitled to cast all the votes allocated to that Unit. If more than one of the multiple Owners are present, the votes allocated to that Unit may be cast only in accordance with the agreement of a majority in interest of the multiple Owners. There is a majority agreement if any one of the multiple Owners casts the votes allocated to that Unit without protest being made promptly to the person presiding over the meeting by any of the other Owners of the Unit.

Section K. Informal Action by Members.

Any action required to be taken at a meeting of the Membership, or any other action which may be taken at a meeting of the Membership, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be approved by 2/3 of the members entitled to vote with respect to the subject matter thereof.

ARTICLE III**BOARD OF DIRECTORS****Section A. General Powers.**

The business and affairs of the Association shall be managed by or under the direction of its Board of Directors.

Section B. Number, Tenure and Qualifications.

The By-Laws may be amended from time to time as provided for herein to increase or decrease the number of Directors of the Association to not less than three (3) nor more than seven (7) Directors. Each Director shall be elected to office for a three year term. Each Director shall hold office until the expiration of his term and until his successor shall have been duly elected and shall have qualified or until his death or until he shall have resigned or shall have been removed, as provided for herein. A Director need not be a member of the Association.

Section C. Election of Directors.

Election of Directors entitled to be elected by the members shall be held at the annual meeting, or, if required at a special meeting of the Membership. The election shall be by secret ballot (unless dispensed with by unanimous consent) and by a plurality of the votes cast. The Owner of each whole Unit shall be entitled to cast his votes for each of as many nominees as there are vacancies to be filled at the time of the election. There shall be no cumulative voting.

Section D. Regular Meetings.

A regular meeting of the Board of Directors shall be held without other notice than this By-Law immediately after, and at the same place as, the annual meeting of the Membership, provided, however, any such regular meeting may be held at any other time or place which shall be specified in a notice given as hereinafter provided for special meetings, or in a consent and waiver of notice thereof, signed by all Directors. The Board of Directors may provide, by resolution, the time and place, within or without the State of Alabama, for the holding of additional regular meetings without other notice than such resolution.

Section E. Special Meetings.

Special meetings of the Board of Directors may be called by or at the request of the President or any two (2) Directors.

Section F. Notice.

Notice of any special meeting shall be given at least three (3) days prior thereto by written notice delivered personally or mailed to each Director at his business address, by fax, or by telegram. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage thereon prepaid. If notice be given by fax or telegram, such notice shall be deemed to be delivered when the fax is sent or the telegram is delivered to the telegraph company. Any Director may waive notice of any meeting. The attendance of a Director at a meeting shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business, because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting.

Section G. Quorum.

A majority of the number of Directors determined in the manner fixed by Section B of this Article III shall constitute a quorum for the transaction of business at any meeting of the Board of Directors, but if less than such majority is present at a meeting, a majority of the Directors present may adjourn the meeting from time to time without further notice.

If a quorum is present when the meeting is convened, the Directors present may continue to do business, taking action by a vote of the majority of a quorum, until adjournment, notwithstanding the withdrawal of enough Directors to leave less than a quorum present, or the refusal of any Director present to vote.

Section H. Manner of Acting.

The act of the majority of the Directors present at a meeting at which a quorum is present shall be the act of the Board of Directors.

Section I. Action Without a Meeting.

Any action that may be taken by the Board of Directors at a meeting may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors.

Section J. Vacancies.

Any vacancy occurring in the Board of Directors and any directorship to be filled by reason of an increase in the number of Directors may be filled by a majority of the remaining Directors except as otherwise provided in Section C above. A Director elected or appointed, as the case may be, shall be elected or appointed for the unexpired term of his predecessor in office.

Section K. Compensation.

By resolution of the Board of Directors, the Directors may be paid their expense, if any, of attendance at each meeting of the Board of Directors, and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as a Director or both. No such payment shall preclude any Director from serving the Association in any other capacity and receiving compensation therefor.

Section L. Committees.

The Board of Directors may, by resolution or resolutions, passed by a majority of the whole Board, designate one or more committees, each of which shall consist of two (2) or more Directors and which, to the extent provided in said resolution or resolutions or in the By-Laws of the Association shall have and may exercise all of the powers of the Board of Directors in the management of the activities and affairs of the Association and may have power to authorize the seal of the Association to be affixed to all papers which may require it, except that no such committee shall have the authority of the Board of Directors in reference to amending, altering or repealing the By-Laws; electing, appointing or removing any member of any such committee or any Director or officer of the Association; amending the Articles, restating the Articles, adopting a plan of merger or adopting a plan of consolidation with another corporation; authorizing the sale, lease, exchange, or mortgage of all or substantially all of the property and assets of the

Association; authorizing the voluntary dissolution of the Association or revoking proceedings therefor; adopting a plan for the distribution of assets of the Association; or amending, altering or repealing any action or resolution of the Board of Directors which by its terms provides that it shall not be amended, altered, or repealed by such committee. The designation of such committee or committees or the delegation thereto of authority shall not operate to relieve the Board of Directors or any individual Director of any responsibility imposed upon it or him by law.

Section M. Resignations.

Any Director of the Association may resign at any time, either by oral tender of resignation at any meeting of the Board or by giving written notice thereof to the Secretary of the Association. Such resignation shall take effect at the time specified therefor and the acceptance of such resignation shall not be necessary to make it effective.

Section N. Place of Meeting.

The Board of Directors may designate any place within or without the State of Alabama as the place of meeting for any regular or special meeting of the Board of Directors.

Section O. Presumption of Assent.

A Director of the Association who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his dissent shall be entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the Secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the Association immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Director who voted in favor of such action.

ARTICLE IV

Section A. Number.

The officers of the Association shall be a President, one or more Vice President(s) (the number thereof to be determined by the Board of Directors), a Secretary, and a Treasurer, each of whom shall be elected by the Board of Directors. Such other officers and assistant officers as may be deemed necessary may be elected or appointed by the Board of Directors. Any two or more offices may be held by the same person, except the President and Secretary. An officer need not be a member of the Association. The failure of the Board of Directors to elect any officers other than a President, a Treasurer and a Secretary shall not constitute a violation of these By-Laws.

Section B. Election and Term of Office.

The officers of the Association to be elected by the Board of Directors shall be elected annually by the Board of Directors at the first meeting of the Board of Directors held after each annual meeting of the Membership. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as may be convenient. Section C. Removal.

Any officer or agent elected or appointed by the Board of Directors may be removed at any time, by the affirmative vote of the Board of Directors, whenever in their judgment the best interests of the Association will be served thereby. Any such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an officer shall not of itself create any contract rights in favor of such officer.

Section D. Vacancies.

A vacancy in any office elected or appointed by the Board of Directors because of death, resignation, removal, disqualification or otherwise, may be filled by the Board of Directors for the unexpired portion of the term.

Section E. President.

He shall preside at all meetings of the Membership. He may sign, with the Secretary or an Assistant Secretary, any deeds, mortgages, bonds, contracts or other instruments which the Board of Directors has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Directors or by these By-Laws to some other officer or agent of the Association, or shall be required by law to be otherwise signed or executed; and in general, shall perform all duties incident to the office of President and such other duties as may be prescribed by the Board of Directors from time to time.

President. Any Vice President shall perform such other duties as from time to time may be assigned to him by the President or by the Board of Directors.

Section G. Secretary.

The Secretary shall:
