

Level 3

Each Unit includes that part of the structure which lies within the following boundaries:  
 Horizontal (Upper and Lower) Boundaries. The upper horizontal boundary of each Unit shall be the plane formed by the lower surface of the sheetrock, wood framing or concrete of such ceiling, as well as the drywall, lath and plaster, wallboard, ceiling tile, or other material comprising the ceiling shall constitute a portion of the Unit. The lower horizontal boundary of each Unit shall be the plane formed by the upper surface of the concrete slab of each unit, with the flooring constituting part of the Unit, with the flooring constituting part of the Common Elements.  
 Vertical Boundaries. With respect to walls separating the Unit from the exterior of the Building or the Unit from a Common Element such as a hallway, the parietical or vertical boundaries of each Unit shall be the vertical plane formed by the centerline of the wall separating the Unit from the exterior of the Building, or from said Common Element. With respect to common walls between Units, the parietical or vertical boundary of the Units served thereby shall be the centerline of such walls. The plaster, sheetrock or wallboard, or other material comprising the walls of the Unit, as they are extended to their intersections with each other and the upper and lower horizontal boundaries of the Unit, shall constitute a portion of the Unit.
