All dimensions are approximate. All floorplans are subject to change without notice to accommodate construction. Seller reserves the absolute right, in its sole judgement and discretion, to substitute appliances, materials, fixtures, and equipment of equal or greater value for those specified. Unit square footages shown are measured from the outside of the exterior walls of the Unit and from the centerline of the demising walls. All outside columns and support structures within the Unit are included in this measurement. Please see the Declaration of Condominium for descriptions of the Units. Unit depictions and models may include options and upgrades which are not part of the basic Unit pricing.
