4 Bedroom, 5.00 Bathroom, 2,983 sqft
Residential on 0 Acres

None, Orange Beach, AL

New construction in the heart of Orange Beach! This 4-bedroom, 4.5-bathroom home was custom designed for this lot to provide breathtaking views of Cotton Bayou from its multiple porches just across Garrett Lane. Built by Limitless Homes, the finishes were carefully chosen to elevate the space and thoughtfully combine function and luxury. The wall of windows off the main-level porch allows natural light to flood the spacious living area, which is open to the kitchen and dining room, perfect for hosting guests or spending time with family. The primary bedroom is on the main level also, with a private entrance to a separate porch. Upstairs you will find three additional bedrooms and bathrooms, including a second primary suite with private access to the second-level covered porch. The sitting room upstairs could easily provide more sleeping room by adding bunk beds or use as a secondary living room. Conveniently located near Gulf State Park and its walking & biking trails (right across the street!), shopping, grocery, dining, entertainment and the beach, this property also features a sizable lot at approximately 50' x 200' and tons of parking. Other conveniences include builder's warranty, 12-month termite bond, Gold Fortification and storm protection system for added protection. Projected completion is summer 2023. Do not wait - this is one of two remaining homes being built in this tucked away but conveniently located pocket in Orange Beach.
