This gorgeous Fairhope home must be seen in person to appreciate the quality workmanship and unique, custom details rarely added to homes these days. It has five bedrooms, three and a half bathrooms, and is adorned with beautiful heart pinewood floors throughout. The living area begs you to stay awhile with a huge brick fireplace, coffered ceilings, twelve inch baseboards and custom crown molding. This kitchen welcomes any chef with a huge gas cooktop, overhead pot-filler, new subway tile backsplash, granite counters, walk-in pantry, island sink and an extra pull-out cooler under the counter. There's two full sized vanities in the bathroom with a soaking tub and a high-pressure shower that'll soak you from all sides. Head upstairs to a massive game room and TV area.
