Marianna is a small town located in Florida's Panhandle. It is known as the City of Southern Charm, likely because of its moss-draped oaks that line a lot of the streets and its gorgeous architecture. There are many notable spots here that people are likely to visit such as Blue Springs- a diver's haven, Merritt's Mill Pond, and Florida Caverns State Park. Marianna is located right off of interstate 10 for easy travel access. The best part is probably the fact that it is just over one hour from Panama City Beach. Enjoy small town living, but do not sacrifice the salt air and white sandy beaches. BONUS- it is in such good

condition that IT WILL qualify for FHA, VA, or USDA!
