Palazzo, Panama City Beach, FL

Best of the Best in Panama City Beach!

Panama City Beach boasts many condominium complexes but none as fine as Palazzo. Palazzo is the premier, Gulf Front, low density condominium development on the West end of Panama City beach, consisting of only 129 Gulf-front units with four levels of covered, under building parking. The location is prime - completed in 2008 and strategically situated in the heart of the new and ever-growing west end just minutes from Pier Park, dining, shopping, and attractions. Palazzo offers a combination of easy beach living and a luxury standard that you won't find anywhere else. This is reflected throughout the recently updated and beautifully maintained grounds, the complex itself, and most importantly within the units. Palazzo unit 501 is a truly exceptional property; a unique, coveted corner unit floor plan, with a desirable lower floor elevation, and located in an esteemed, high-end development! The property's special layout is spacious, open, and bright with 9' ceilings, large glass windows, and 9' sliding glass doors that span across the living area and master bedroom keeping the condo doused in perfect Florida sunlight and maximizing the panoramic views of the dazzling white sandy beaches and crystal-clear emerald Gulf Waters. Outside, enjoy the tranquil sea breezes of the Gulf Of Mexico and views of the gorgeous aquamarine waters from the 220sqft private balcony - the ultimate in alfresco living! The fantastic Master

suite is large, Gulf front, and opens to the balcony. Luxurious ensuite Master bath features double vanity, separate shower, and jacuzzi tub. There are two guest bedrooms, one with Gulf views and an ensuite bathroom. The additional guest bedroom is spacious enough to accommodate two full beds and attaches to the third bath. This unit sleeps 8-10 guests and has a full-size washer/dryer closet with storage and an owner's closet. Interior appointments include durable ceramic tile flooring throughout, crown molding in the living room and master bedroom, and travertine wainscoting in the entry hallway and breakfast bar. Property has been meticulously maintained and is exceptionally clean. It will convey fully furnished, turnkey, and with two exterior storage closets which are great for larger items such as surfboards and beach kayaks (there are only 44 of these available to owners in the development and are also climate controlled). Palazzo also offers an impressive array of Gulf front amenities: enjoy the Gulf front pool and spa, full fitness center, conference center, onsite management offices, and elegant lobby area! Don't miss your opportunity to visit and own this premier offering!
