TURTLE BEACH CONDO, Santa Rosa Beach, FL

Gulf front contemporary in the exclusive Dana Beach area of Seagrove. This lovely home is perched on a high dune with breathtaking gulf views and offers a spectacular central location on 30A. One of only three units in the building, this property lives like a home with the convenience of a condo. This low density complex is tucked away, but perfectly located close to all the best of Seagrove Beach. Balancing warmth, sophistication and comfort it's the ultimate family retreat. The home was renovated in 2019 by Designer Tanya Fitzgerald to invoke a unique Malibu beach vibe and offers an open floor plan with four spacious bedrooms. The master suite is flooded with natural light, a luxurious ensuite bathroom, a large walk in closet, and gorgeous gulf front views with balcony access. Both north side bedrooms offer their own individual private balconies for quiet afternoon reading. An additional centrally located bunk room keeps the kiddos close by so you can keep an eye on them!

With a open flow, a modern well appointed kitchen, gulf views throughout, a elevator to the interior entry hall, a interior climate controlled storage room with a owners refrigerator and a wine cooler, a 200'x200' exterior storage room, a pool, plenty of parking, and your own private deeded beach, it's the perfect 30A retreat.
