This home features four bedrooms, four bathrooms, an inviting inground pool, a wrap-around porch, and a detached garage. A key aspect that makes this property stand out is its sprawling approximate 5.5-acre parcel of land. The main living quarters are housed on the second and third floors, providing commanding views and a sense of elevated luxury. The master suite is particularly impressive, featuring its own private living spaces complete with a cozy fireplace and a spacious study that can serve as a tranquil retreat or an inspiring workspace. The bottom level of the house opens up exciting opportunities as it offers a separate living area, complete with its own kitchen and living spaces, as well as three additional bedrooms and two bathrooms. This space can be utilized for various purposes, whether it's accommodating guests, creating an in-law suite, or even converting it into a rental unit for potential additional income.

A short stroll in the same direction brings you to the renowned Stinky's Fish Camp and a variety of other Dune Allen attractions and dining selections.
