CYPRESS DUNES, SANTA ROSA BEACH, FL

Enjoying a quiet location in Cypress Dunes, this spacious two-story home overlooks a natural pond and established trees. Three large porches, one screened, provide plenty of outdoor living space in addition to an enviable fenced backyard for pets and children to play. This well-maintained home has recently been updated with new exterior paint, fans and light fixtures. New appliances include a washer and dryer; both HVAC units were replaced in 2020.

Large picture windows flood the open living space with natural light while framing serene views of the cypress pond across the street. The pristine white kitchen has black granite countertops that extend onto the island and a high-top breakfast counter for casual dining. Hardwood flooring provides a warm yet practical finish. Tucked in among the 44-acre development are state-of-the-art fitness facilities, an infinity edge pool with views of the Gulf of Mexico, a covered outdoor fireplace, owner's gathering room, and a hot tub. Beach access is next door at Topsail Hill State Park, South Bishop Road, or two regional beach accesses across from Stinky's Restaurant in Dune Allen.
