Residential on 0 Acres

Baybridge, Gulf Breeze, FL

Beautifully remodeled 2 bedroom waterfront home at Baybridge, a gated community with a private beach, 1500 foot boardwalk, pool and tennis court. As you enter this all first floor level home, you will be impressed by the wall of windows with a view of the bay and the expansive living area. This home was remodeled to double the living area by annexing a former bedroom. A partial wall was removed to open the kitchen to the living area while keeping the wood burning fireplace which has been updated with a gorgeous custom dolomite surround, hearth and mantle. The kitchen features new white shaker cabinets, Brazilian quartzite countertops, blue glass tile backsplash and accent wall, a white farmhouse sink and new stainless appliances including an induction stove. A cozy sitting room adjacent to the kitchen leads to the first of two private balconies. The enormous waterfront master bedroom accommodates a full sized sectional sofa as well as a King sized bed and has double French doors that lead to a private covered balcony with a gate and recently installed stairs leading to the boardwalk. The attached bathroom was remodeled with stunning 24"x48" Lotus Venito Azul porcelain tile floors and shower surround, frameless glass shower doors, granite counter tops and double vessel sinks. Two closets are customized with built in organizers. The guest bedroom is large enough for a King sized bed and includes and a huge closet. Extra granite topped storage cabinets in the laundry area, a

huge pantry off of the dining room and an oversized two car garage with a closet provide ample storage. Baybridge is conveniently located in Gulf Breeze proper within walking distance of the park and walking path along the bay bridge, shopping and restaurants.
