Residential on 0 Acres

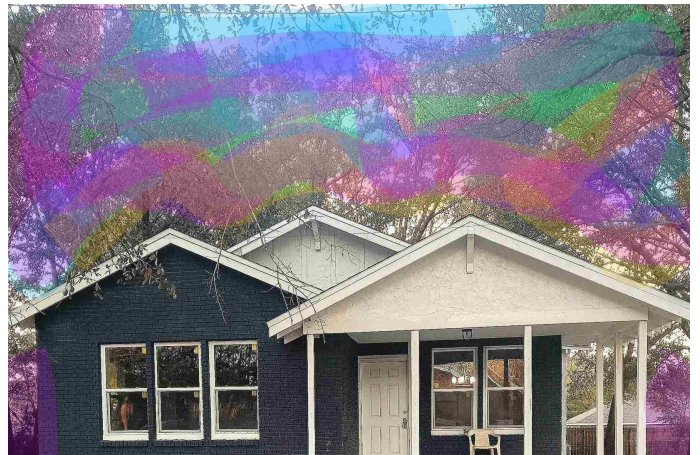

None, Crestview, FL

Nestled in Central Crestview with a quick drive to stores, schools, doctors and 3 military bases. A church right across the street, you will find this recently remodeled, from bare bones, 4/2 1704 sq foot home. A large yard with privacy all around but the best could be inside. All new countertops, cabinets, fixtures. Stove and Refrigerator stay. New carpet in the bedrooms, varnished floors in the LR and DR look absolutely amazing. A pantry off the kitchen is a nice size with the laundry room behind the pantry so less noise in the house. There is a newly constructed back porch big enough for entertaining. So much more but just come look for yourself you will be impressed.
